WHO IS LUCY?

Here when you need me ... and when you don't

My job is to make sure **everyone is safe and happy at BLUs**, and that we **follow best practice**. I do all the coaches', assistant-coaches' and parent-volunteers' CR checks, but my role is more than that.

If you feel uncomfortable, unsure, nervous or angry about things at football or elsewhere and you need a grownup in your corner, you can come to me.

Kitty is my daughter and coach Steve is my husband. I don't know much about football (I played rugby and now row), but I was a secondary-school teacher, coached an U11 to U13s rugby team, I'm on Cathedral school PTA and I have two children of my own.
